THE DIGITAL REGISTER OF CURATORS APPOINTMENTS

The deeds of appointment of curators provided for by art. 408 of the Italian Civil Code are received by notaries through a public deed or a certified private deed. This type of deed is not currently available in any way other than adducing a copy of the deed directly to the judge.

Through this register, every notary, and in prospect every judge, can easily and quickly verify its existence, thus ensuring greater protection to the will of the person.

Through a simple and intuitive digital interface - also by delegation to a collaborator - the deeds of appointment of curators are inserted in due time, indicating the information relating to: deed date and index; name, surname and address of the notary, and his data; personal data of the appointer and the appointee; date and details of the deed of revocation or modification.

ISO 9001:2015 - CERT. n° 63394
ISO/IEC 27001:2013 - CERT. n° 63395
Reg. UE 910/2014 eIDAS - CERT. n° 63397

Società informatica
del notariato italiano

Founded in 1997, Notartel is a company owned by the National Council of Notaries and the Cassa Nazionale. We implement and manage computerised and online services for Italian notaries. We connect all Italian notarial offices through the Unified Notarial Network (R.U.N.), a private web platform created by the Notariat at its own expense that provides services for communications with the public service and thus indirectly with the public. Our task is to implement the policies set out by the IT Sector of the National Council. Our operational aim is to integrate the internal services within the notary's office, created in-house or by third parties, with those of the Public Administration and private parties using a single Notarial computer system. Since 2002 we have managed the issuing of digital signatures and smart cards as well as certified electronic mail for Italian notaries on behalf of the National Council of Notaries. We have been certified ISO 27001: 2013, ISO 9001: 2000 and Regulation EU No 910/2014 (eIDAS). We are registered in the list of accredited AgID Conservators and in the Register of online sale Managers by Ministry of Justice.
